

HỘI NGHỊ NỘI SOI TIÊU HÓA TOÀN QUỐC LẦN 10

THE 10TH VIETNAMESE GASTROINTESTINAL ENDOSCOPY CONGRESS

STEPHEN CHALLINOR

STERIS Asia pacific company, Singapore

Stephen Challinor is the Clinical Education Fellow for the STERIS Asia pacific company Singapore.

Stephen is a British Credentialed Nurse and has a post graduate diploma in Renal nursing from English National Board.

Stephen has over 20 years' experience in nephrology and is passionate about all aspects of nephrology and clinical education. He also completed his degree with Manchester University in Nursing science B.Sc.(Hons).

He has witnessed many changes and developments in this specialty and feels strongly that nurse assistance and input during any renal intervention is a vital link in the team approach to deliver best outcome for patients.

Stephen is also a member of the Gastroenterology Nurses College of Australia (GENCA and the American Association of Medical Instrumentation (AAMI)).

He has helped rewrite the World Endoscopy Guidelines. His endoscopy involvements include being a trainer and assessor for the reprocessing area, conference development, presentations and posters.

These recommendations have been published in the Journal of Digestive Endoscopy 2016.

Stephen has responsibility for STERIS/ Cantel endoscope/ CSSD reprocessing training and education in the APAC region.
